Project title: Honda Civic Website

https://en.wikipedia.org/wiki/Honda_Civic

I would like to build a microsite showcasing the Honda Civic. The Honda Civic is one of the most common and renowned car models in the world, and is owned and driven by people all around the world. I plan to build this site to showcase different generations of the car, its safety, awards and its motorsport heritage through a website with multiple pages accessed through a nav bar.

1. Home page

- a. What the honda civic is
- b. Basic specs of the honda civic
- c. Some photos of the honda civic
- d. Who made the honda civic
- e. Where the honda civic is sold
- f. What is its price

2. Generation display

- a. Each generation of the honda civic
- b. Pictures of that generation's honda civic
- c. Basic specifications of that generation's honda civic, including regional variants
- d. Where that particular generation of the civic is made
- e. Production year and location of that generation's honda civic
- f. Layout of that generation's honda civic
- g. Class of that generation's honda civic
- h. Engine and transmission of that generation's civic
- i. What people say about that generation's civic (maybe videos or review articles)

3. Safety

- a. Crash rating in available nations
- b. What safety equipment each generation of honda civics come with

4. Racing heritage

- a. Information of the honda civic in touring car racing series
 - i. Which team, who drove the civic
 - ii. Participated in which races
 - iii. What are the outcomes (wins/loses)
- b. Information of the honda civic on the british touring car championship series
 - i. Which team, who drove the civic
 - ii. Participated in which races
 - iii. What are the outcomes (wins/loses)
- c. Information on the honda civic on the world touring car championship series

- i. Which team, who drove the civic
 - ii. Participated in which races
 - iii. What are the outcomes (wins/loses)
- d. Information on the honda civic in other racing leagues
 - i. Which team, who drove the civic
 - ii. Participated in which races
 - iii. What are the outcomes (wins/loses)

5. Sales

- a. Sales chart of the civic in various available nations with data
- b. Sales data over the years of different civic years and models

6. Awards

- a. What award did the civic get
- b. What year did the civic get the award
- c. What did the civic get the award for for that particular year

7. Credits

- a. Wikipedia links
- b. Honda website links
- c. Sales data links
- d. Media review and youtube video links
- e. Stock/public domain photo links
